## REPORT OF THE HISTORIAN 1971

My Friends:

I have become fascinated no end with our Free Will Baptist history. More of our folks are also interested. What is happening today will one day be history to those who follow after us.

We need treatises, books, photos, minutes, etc. relating to our Free Will Baptist work. Even if in doubt about its value, please send the items to us and let us determine whether they should go into our collection or not. The collection is now housed in a large safety deposit box at Wachovia Bank — Durham.

Dr. Picrilli and Miss Wisheart, professors at the Free Will Baptist Bible College, are now doing the research for a Free Will Baptist history book. Read their "History Corner" in Contact each month. It is really interesting. (Read to the assembly from the current issue of Contact.)

Please help us. Thanks for allowing me to serve in this capacity. We should plan now toward getting a fireproof cabinet for our materials.

Ronald Creech
