### EDUCATIONAL ADDRESS

The eleven o'clock service at the stand was dispensed with and the hour given to Prof. J. E. Sawyer, Principal of the Seminary, to make an educational address in the house. The Professor made an address full of sound logic showing the great

importance of education in North Carolina. He told of the great strides the state had made since the people had been aroused to the great importance of culture. That while some had argued that we were not able to educate our people, the great truth stared us in the face that we were too poor not to educate. That money put in brains was a fine investment, in fact, the best that could be made from a material stand point. What should claim our attention more than the children of our homes upon which the future weal or woe of our state and nation depends? The address was well received and we feel that seed were sown that will produce much good in the community of the church and among our people in other sections.

## REPORTS OF BOARDS AND COMMITTEES

The following reports of Boards and Committees were adopted by the State Convention assembled at Shady Grove church, Sampson County, Sept. 14-16, 1915.

### REPORT OF THE MISSION BOARD.

Your Board beg leave to report as follows:

Seeing the need of efficient Mission and Educational work and realizing that we must be better united in order to supply these needs:

Be it Resolved: I. That our Churches Union Meetings and Conferences send all money intended for these funds direct to the Convention Treasurer subject to the order of the Educational and Mission Boards, and to be spent by them in whatever way that will best advance our Educational and Missionary interests in the State.

II. That we urge our Mission Board to meet quarterly as set forth in Art. 4. Sec. 1, of the Convention Constitution; and their meetings work out for us the best ways and means for us to advance our Mission work. Also give us reports through the Baptist of what is being accomplished.

III. That the treasurer give through the Baptist quarterly reports of money received for Missions and Education, giving proper credits to those sending the same, also showing disposition of moneys used in order that our people may know what is or is not being done.

S. H. STYRON, Chairman.

## REPORT OF THE EDUCATIONAL BOARD

---

Seeing the need of a greater system in our Educational work, therefore:

Be it resolved: I. That all educational work for our denomination throughout the State, be done through the State Board appointed by the Convention.

II. That all money raised for Educational purposes by our Churches, Union Meetings and Conferences be sent direct to the Treasurer of said Board.

III. That said money be spent by this Board to the best advantage for educational work throughout the State.

IV. That said Educational Board meet quarterly.

V. That a copy of these resolutions be sent to the various conferences and union meetings.

R. F. PITTMAN, Chairman.

## SECOND ANNUAL REPORT OF THE SUNDAY SCHOOL BOARD.

---

This our second annual report is made from information, GALLEY FOUR cmwypf shrdlurdlu gathered from various and the most reliable sources obtainable. The Sabbath School work in the State is, on a whole, equal to that done by other denominations; yet we regret to say that it is not what it should be. The one most needed thing is an organized system. As it is, the Sunday School Board is unable to get in touch with the Schools and the School workers and officials. We trust that the State Convention will either give us an organized system or allow us to draft plans and specifications for such a system and present the same to the next Annual Meeting of the State Convention. We are glad to note that some of the Union Meetings have their organized Sunday School work, and we note also that the schools under their subordinate organizations are showing progress, and we feel that the cause could be greatly strengthened in the different unions in the state by such organizations.

A. R. FLOWERS, Chairman.

## REPORT OF COMMITTEE ON PERIODICALS

---

We your Committee on Periodicals beg leave to submit the

following:

Seeing the need of a better understanding among our people in regard to periodicals or printed matter: Therefore:

We do earnestly insist that every preacher and laymen of the entire denomination put forth every effort possible to enlarge our acquaintance through the columns of the Baptist, by furnishing the Editors of the Baptist articles of importance, news and workings of the local churches, and that each church elect or appoint a special correspondent, to keep the Baptist posted as to the church news.

II. That each preacher insist upon the use of Free Will Baptist literature in all the Sunday Schools.

Last and greatest, that every member of our church everywhere, feel that the Free Will Baptist Printing Company, is for the uplift of our cause, and that it is our indispensable duty to stand by and support the same by our patronage.

J. C. GRIFFIN, Chairman.

D. W. ALEXANDER,  
W. A. JACKSON,  
J. E. SAWYER, Committee.

---

## REPORT OF THE COMMITTEE ON TEMPERANCE

---

The following report of the Temperance committee was adopted:

I. That we follow the Bible injunction in regard to Temperance.

II. That we do not tolerate the use of alcohol in any form as a beverage, and that we recommend the use of grape juice instead of wine for communion service.

III. That we put forth a strong effort to eliminate the use of alcohol from our land as a beverage.

IV. That we preach, teach and practice sobriety in all things.

V. That we who compose this body favor National Prohibition.

R. F. PITTMAN,  
W. B. EVERETT,  
J. F. CASEY, Committee.

### AN OVERSIGHT.

It was the intention of the brethren to appoint a delegate or two to the South Carolina Convention, which convenes on Thursday before the First Sunday in September. This matter can be taken up by the Executive Committee and a delegate sent just the same. The matter was simply overlooked in the great rush of business. We truly hope to establish a correspondence that will mean much for both organization.
