Whereas, the successful and harmonious operation of the state program is dependent upon proper recognition of the said duly elected boards and committees; and

Brother James Evans brought to the attention of the executive committee the fact that the A. M. E. Church has purchased the Royal League property located in front of Cragmont property. The committee then met in a joint session of Cragmont stockholders and the executive committees of the various auxiliaries of the State Convention to discuss the alternatives facing the stockholders. Each executive committee of the organizations affiliated with the State Convention and the Executive Committee of the State Convention itself were asked to meet separately in order to make recommendations to the Cragmont stockholders as to the course of action to be taken.

The executive committee reconvened after lunch.

It was moved and carried that this executive committee go on record as being willing to leave the decision to the Cragmont board regarding the future development plans for Cragmont Assembly. We suggest that if Cragmont is to be moved from its present location, that the Cragmont board should try to arrange a way for any new property to be used for a wider purpose.

It was moved that N. B. Barrow and Michael Pelt be elected as a committee authorized to cancel or make void the charter of incorporation of the superannuation board.

It was moved and carried that the resignation of Brother Wilbert Everton from the board of superannuation be accepted. Brother Walter Reynolds was elected to replace Brother Everton on this board. The committee adjourned with prayer.

The Executive Committee of the State Convention met at Mount Olive College on May 6, 1959.

A program committee was appointed to plan the program for the 1959 session of the State Convention. The committee was appointed by the president as follows: James A. Evans, Walter Carter, Michael Pelt.

The treasurer gave a brief report of the financial status of plans for entertaining the National Association in July. Thus far a total of \$1,242.77 has been sent to the treasurer for this purpose. By common consent it was agreed that a list of churches and organizations which have contributed to the entertainment of the National Association should be sent out to the clerks in the next letter from the promotional department.

It was moved and carried that we hear the protest of the Executive Committee of the Eastern Conference regarding an alleged violation of the conference boundaries involving the Evangelical Baptist Church of Kinston, which is seeking a fraternal relationship with the Cape Fear Conference of Free Will Baptists.

It was moved and carried that we refer the request submitted by the Executive Committee of the Eastern Conference involving the Evangelical Baptist Church of Kinston, and the pastor of said church, to the Executive Committees of the Eastern and Cape Fear Conferences for their consideration and settlement.

The secretary of the State Convention was requested to send copies of the protest submitted by the Executive Committee of the Eastern Conference and copies of the resolution passed by the Executive Committee of the Cape Fear Conference to the secretaries of the aforesaid conferences for their information.

The president declared the meeting adjourned and prayed the benediction.

Report of
MOUNT OLIVE JUNIOR COLLEGE
to the
NORTH CAROLINA STATE CONVENTION OF FREE WILL
BAPTIST CHURCHES
September 16, 17, 1959
Mount Olive, North Carolina

Greetings:

“The Lord hath done great things for us; whereof we are glad” (Psalm 126:3).

Mount Olive Junior College is thankful for this opportunity to report to the Free Will Baptist people of North Carolina the progress we have enjoyed during the past year. We also hope to challenge you with a vision of the opportunity and responsibilities now confronting us.

APPRECIATION

We are grateful for our many friends who have stood firmly behind Mount Olive Junior College during the few short years this college has been in operation. The progress we have enjoyed would have been impossible without your earnest prayers, generous support and tireless labor in our behalf.

It was in 1951 that this convention voted to establish a junior college in North Carolina. Two years later, with \$6.17 in the treasury of the Board of Christian Education, the convention voted to purchase our present campus at a cost of \$25,000. And then we began to see miracles.

God has blessed Mount Olive Junior College as He has no other institution among Free Will Baptists in this generation. Today the total assets of this college amount to \$210,000. In five years our enrollment has increased

500 per cent. We now enjoy full accademic accreditation by the accrediting agencies of this state and are pressing rapidly toward regional accreditation.

To everyone who has contributed to this progress, we are profoundly grateful.

GUIDEPOSTS

In considering this report, it will be helpful if we keep in mind just what we are endeavoring to do at Mount Olive Junior College. Our constant aim is to build a college that will be known by the following characteristics:

1. A Christian college;
2. A college that will best serve the educational needs of the Free Will Baptist denomination and one that will preserve and perpetuate our historic heritage;
3. An accredited college whose academic standards are honored and respected;
4. A college with a sound program of student aid for worthy students who need financial assistance;
5. A college that fosters a wholesome and helpful relationship between students and faculty;
6. A college that will contribute to the educational, cultural and spiritual life of the community of which it is a part;
7. A college whose graduates are thinking persons, trained in the discipline of the liberal arts, and committed to Jesus Christ as their Lord and Saviour, and who desire to use their lives in service to God and all mankind.

Each of the above principles is an integral part of the philosophy of Mount Olive Junior College, and it is only in their light that this college can be properly understood.

OUR EDUCATIONAL PROGRAM

We desire that Mount Olive Junior College shall be known as a Christian community devoted to the study and teaching of the truth. In pursuing this ideal, we are concerned with the total development of our students, which means that we must provide for their growth not only in intellectual realms, but spiritual, cultural and physical as well.

To achieve our goal, we must have: (1) A competent faculty and administration; (2) adequate educational resources in buildings, equipment, library, laboratories and instructional supplies; (3) a body of students capable and willing to strive for academic excellence.

Because of our scholastic standards and lack of space, a number (approximately 20) of applying students have been refused admission. The rejection of these students has been a painful series of decisions, but we could not have done otherwise and maintained the academic standing of the college.

A. *Accreditation:* During the past year, Mount Olive Junior College has been formally accredited by the North Carolina College Conference and State

Department of Education. During this period of time the college has also been granted membership in the American Association of Junior Colleges, the North Carolina Council of Church-Related Colleges and the Collegiate Academy of the North Carolina Academy of Science.

Furthermore, the college now enjoys the approval of the United States Office of Education for participation in the Student Loan Program of the National Defense Education Act of 1958.

We believe that with continued progress we can obtain regional accreditation by the Southern Association of Colleges and Secondary Schools in December, 1960.

B. *Library*: Although we began with no books at all in 1954, we now have 6,500 approved and catalogued volumes in our library.

Our Free Will Baptist historical collection continues to grow. The 1958 session of this convention authorized the purchase of a fire-proof filing cabinet for this collection; the cabinet has been purchased and is now in use. We hope to build up the most complete and comprehensive collection of material on the history of our denomination to be found anywhere. To this end, we ask the co-operation of our people in contributing any materials of historical value to the college.

The commendable work done by Mrs. Council in the library has resulted in several offers of employment by other colleges and educational agencies, the chief of which was a proposition from the North Carolina State Department of Education. The position offered was that of Library Supervisor for Eastern North Carolina, but we are happy that she has chosen to remain with us.

C. *Faculty*: A college can never rise above its faculty. The caliber of the faculty will not only be reflected in the activities of the classroom, library and laboratory, but will eventually determine the quality of students attracted to a college.

Mount Olive Junior College will be known by the faculty it procures and retains. With this truth in mind, we must be prepared to bring to this campus those persons who can best serve this institution; and likewise, we must retain those members whose services are integral to the building of the kind of college we aspire to have.

I believe that we have a faculty that is worthy of our confidence and support. They are competent and dedicated Christian men and women who love Mount Olive Junior College. The head of our department of music was invited to join the faculty of Duke University and the head of our foreign language department was offered a position at Stetson University this fall, but they chose to remain with us.

Our faculty is composed of people like you and me, and they need the assurance that their work is not only acceptable but also appreciated. We must never take our personnel for granted, but rather we must let them know that they have our full confidence and support. This intangible need is not

secondary to financial remuneration. A list of our faculty is given elsewhere in this report.

D. *Our Graduates*: A study of the twenty-five students who have received Associate in Arts degrees from Mount Olive Junior College reveals that twenty-three of them have either enrolled or been accepted for admission this fall in a four-year college or university. This fall for the first time we will have a graduate at the University of North Carolina and a non-graduate will enter North Carolina State College. These students were admitted without transfer difficulties and were accepted on the same basis as students from any other junior college.

E. *Enrollment*: Although registration will not be completed until next week, we have a record number of students in our junior college division this year. The following figures tell the story of this growth:

| Year | Enrollment |
|---------------------|------------------|
| September 1954..... | 22 |
| September 1955..... | 40 |
| September 1956..... | 61 |
| September 1957..... | 87 |
| September 1958..... | 105 |
| September 1959..... | 115 (Incomplete) |

Our total enrollment in all divisions last year was 161; we expect to surpass that figure this year.

For the first time we have Florida and Tennessee represented in our student body; our other students come from North and South Carolina.

F. *Laboratory*: We hope you will visit our science laboratory while on our campus for this convention. It contains equipment worth \$10,000 which has been purchased chiefly through gifts from Dr. C. C. Henderson, a local physician. Another \$1,000 was given by Dr. Henderson in July for additional equipment. Mrs. Lorelle Martin is head of our science department and she will welcome an opportunity to show the laboratory to you.

FINANCE

A. *Budget*: Last year our total expenditures amounted to \$160,716.38, and of this amount \$68,364.60 was received in gifts (\$50,516.61 from Free Will Baptists and \$17,857.99 from friends).

Our over-all budget for this year, however, will amount to \$190,950. This increase over last year is attributed to the following:

1. Larger expenditure for auxiliary enterprises (cafeteria and room rent) due to increased enrollment of resident students;
2. Additional funds required for property payments;
3. Restricted gifts for endowment and student loan funds;
4. The providing of a student center; and
5. The purchase of an automobile for official college travel.

The attached budget is a detailed study of our necessities for this year, and I do not believe it can be cut without doing an injustice to our educational

program. There is only one thing for us to do, and that is to go out and raise the money to meet it.

B. Loyalty Fund Campaign: The Reverend M. L. Johnson is serving again this year as director of the Loyalty Fund Campaign, and the announcement of this drive for funds has already been made. We shall seek to raise for operational purposes \$65,000 by February 10; we hope to raise the balance of the budget between February 11 and June 30.

Our minimum goal in gifts for the year is \$70,000 from Free Will Baptists and \$20,000 from friends; a total of \$90,000.

Following the State Convention, we plan an advisory meeting here at the college of denominational leaders from throughout North Carolina. We plan to follow this meeting with a series of open houses and district meetings. We shall seek to carry the cause of the college to every church and individual possible.

Out-of-state giving to Mount Olive Junior College increased from \$766.19 during 1957-1958 to \$2,338.40 last year, and I believe that an even greater increase is possible this year. Plans have already been made for promotional work in Tennessee, Virginia, Georgia, South Carolina and Florida.

C. Endowment: As of June 30, we had \$29,840.93 in endowment funds, but this amount needs to be increased with all speed possible. The Free Will Baptist Heritage Foundation offers us the best approach I know to appeal to our people for endowment gifts. A plaque for this fund will be unveiled here today. The plaque contains plates for three hundred names which will net us at least \$30,000 when this plaque is completed.

We also need to encourage our people to name the college the beneficiary of insurance policies and to include it in their wills. The board of directors has already taken the first step in helping to inaugurate such a program by approving policies by which Robert W. Moye may solicit insurance with the college as beneficiary.

We are asking this convention to authorize the establishment of the Paul Palmer Endowment Fund by designating endowment gifts sent to the convention to this fund. We purpose to use the earnings from this fund to endow The Paul Palmer Chair of Theology at Mount Olive Junior College.

Our development of endowment funds is indicated below.

| <i>Name of Fund</i> | <i>Size of Fund</i> | |
|--|---------------------|-------------|
| | 9/16/58 | 9/1/59 |
| I. F. Witherington Memorial Endowment Fund | \$ 6,000 | \$ 8,000.00 |
| C. C. Henderson Endowment Fund | 5,000 | 5,000.00 |
| J. C. Moye Trust Fund | 7,500 | 8,500.00 |
| First Western Union Meeting Endowment Fund | 1,500 | 1,800.00 |
| Hart Endowment Fund | | 2,137.00 |
| Heritage Endowment Fund | 700 | 3,425.93 |
| Other Smaller Endowment Funds | 908 | 978.00 |
| | \$21,608 | \$29,840.93 |

D. *Student-Aid Program*: We are continuing a liberal program of financial aid to worthy students through loan funds, scholarships and self-help positions.

Students preparing for the ministry and missions are charged no tuition; valedictorians and salutatorians are given scholarships worth \$250; and about thirty students each year with self-help positions.

During this past year we have developed our student loan funds as indicated below.

| <i>Student Loan Funds</i> | <i>Size of Fund</i> | |
|---|---------------------|------------|
| | 9/16/58 | 9/1/59 |
| William Cccil Raper Loan Fund | \$ 250.00 | \$ 275.00 |
| Bruce Herring Loan Fund | 250.00 | 250.00 |
| Verdie Davenport Loan Fund | 350.00 | 450.00 |
| North Carolina Ministers Loan Fund | 250.00 | 304.00 |
| Memorial Education Loan Fund | 1,429.00 | 2,151.00 |
| Bishop Frost Jones Loan Fund | 300.00 | 600.00 |
| North Carolina State Convention Loan Fund | 750.00 | 1,000.00 |
| Alumni Loan Fund | 124.83 | 314.98 |
| Grantham Loan Fund | 100.00 | 200.00 |
| Spencer-Sasser Loan Fund | | 70.00 |
| B. E. Bryan Loan Fund | | 250.00 |
| | \$3,803.83 | \$5,864.98 |

In addition to these funds listed, we are participating in the student loan program of the National Defense Education Act. Last year we received \$3,512 from this source; we have been approved for an additional appropriation of \$2,849 for the current school year.

The growth of the college, however, makes it necessary for us to continue adding to our student loan funds if we are not to refuse assistance to worthy students. We invite our people to use our Memorial Education Loan Fund as a means of expressing condolences at funerals *in lieu* of flowers.

E. *Building Funds*: An increase in the number of applications from resident students is requiring that we do one of two things:

1. Fill up our present facilities and turn down additional applicants; or
2. Provide additional facilities which require a greater expenditure for rent, furniture and supervisory personnel.

We are doing some of both. Students whose past college record, whether here or elsewhere, shows serious academic deficiency, are being deferred until the second semester. We are but one step from raising our standards for admission for new students.

Without jeopardizing funds needed for the general budget, we need desperately to raise money for a dormitory for girls. This item has been frequently discussed amongst us, but the pressure for operating funds has not permitted us to solicit capital funds hretofore. We must still see that ade-

quate funds for our general budget are forthcoming, but every possibility for building funds must also be explored. But let me caution us that to weaken our educational program by cutting our budget in that area would within itself eliminate our need for more buildings. Good students do not generally attend colleges with inferior academic standards.

OTHER ITEMS

A. A Free Will Baptist church was organized in Mount Olive last November. The Reverend R. P. Harris, working under the auspices of the State Mission Board, directed this work last year and served as our pastor until the end of May. The church is now operating with a full-time schedule of services and is meeting at the college with the Reverend M. L. Johnson serving as pastor.

B. The board of directors has extended the student-aid program previously designed for the Free Will Baptist Children's Home at Middlesex, North Carolina, to all orphanages. As a result of this aid, we have one student from our home in Tennessee enrolled this year and another from the Methodist Home in Raleigh.

Summary: In my opinion, the destiny of the Free Will Baptist denomination is at stake in what we do here at Mount Olive Junior College. Our denomination will not rise above its leadership, and here we have an opportunity to train both lay and ministerial leaders.

God has blessed this college as He has no other institution among Free Will Baptists in this generation. Our answer to our critics must not be condescension to their unchristian tactics, but rather in humility and love, we must vindicate our cause through Christian service.

As long as Mount Olive Junior College majors on quality Christian higher education to our people, there is no one whom we need fear. Service—Christian service—must be our theme. If we will meet the needs of our people, our people will meet our needs. We dare not fail those children too young to choose for themselves nor those generations yet unborn.

RECOMMENDATIONS

The following recommendations have been approved by the board of directors and are submitted to this convention for adoption:

1. That the attached report from the treasurer be adopted;
2. That the attached budget for 1959-1960 be adopted;
3. That funds sent to this convention for an endowment at Mount Olive Junior College be assigned to the Paul Palmer Endowment Fund;
4. That this convention give the back cover of its minutes for a message from Mount Olive Junior College.
5. That this convention ask our churches to observe Sunday, September 20, as a day of prayer for Mount Olive Junior College and the Loyalty Fund Campaign.

Religious Services
MOUNT OLIVE JUNIOR COLLEGE
1959-1960

Mount Olive Junior College considers the development of a sound Christian philosophy of life and Christian character to be an integral part of its educational objective. Someone has wisely said, "The heart of education is the education of the heart."

Although the college realizes that Christian experience and growth are dependent upon the attitude and will of the individual, every effort is made to cultivate the spiritual life of each student. The following religious activities are designed to integrate our Christian experience with our academic learning.

1. *Chapel Services*: These services are held throughout the school year on Mondays, Wednesdays and Fridays at 10:00 a. m. in the college auditorium and are intended to be a contribution to the spiritual life of students and faculty. Attendance at these services is required and a regular attendance check will be made.

2. *Sunday School and Church*: Sunday school and morning worship are held each Sunday at 10:00 a. m. and 11:00 a. m. Resident students on campus for the week end are required to attend these Sunday morning services or Sunday school and morning worship at another church of their choice.

3. *Youth Fellowship*: A varied program of activities including worship, discussion, religious films and occasional refreshments will be held each Wednesday evening in the college cafeteria. All students are invited to attend.

4. *Dormitory Devotions*: Dormitory devotions are held each evening as arranged by the students.

5. *Missionary Prayer Band*: This organization is composed of interested students who meet at 6:30 p. m., Monday through Friday, to study and pray for the cause of world-wide Christian missions.

6. *Spiritual Emphasis Week*: During each school year a Spiritual Emphasis Week is held for the purpose of leading each student to make or renew his personal commitment to Jesus Christ as his Lord and Saviour.

Visitors are always welcome to any of these services.

The college chaplain is available at all times to aid any student with any spiritual question or problem he may have.

REPORT OF THE NORTH CAROLINA STATE CONVENTION MISSION BOARD

Greetings:

The missions board has made great progress in the last few years. The board has helped in establishing a work in the following places: Norfolk, Virginia; Portsmouth, Virginia; Faith, Plymouth, Raleigh, Washington, Williamston, Grifton, Mizpah, Vanceboro, Grace, Pine Tops, Scotland Neck, Tarboro, Hookerton, Jacksonville, Verona, Warsaw, Mt. Olive, Community, Calvary, Wilmington and others. There have been many calls, but because of the lack of funds many of these were turned away. Because of the lack of funds the board has not employed a mission director as was hoped last year. The board is still hoping to be able to elect a director in the near future.

During the past year, the board has met ten times and tried to consider all the matters that have come before us.

The missions board called a special meeting of the missions chairman of the various conferences at the Pine Level Church, February 17, 1959. In this meeting there was a motion made to conduct a state-wide mission conference during the year 1959-60.

A meeting has been called by the missions board of the Central Conference, Friday, September 18, to plan for a simultaneous missions conference in that area, November 8-15.

This year the state missions board has approved aid for the following places: Alaska, Bath, Emmanuel, Hookerton, Maranatha, Mount Olive and Wilmington.

The board has employed a full-time home missionary for Wilmington and a part-time home missionary for Mount Olive. At the present, one half of the undesignated missions funds are sent to the Alaskan Missions.

The board suggests the following recommendations:

1. That each conference conduct a simultaneous mission course sometime during the convention year. The board suggests that this be done as early as possible, urging each church to participate.

2. That the missions quotas suggested by the National Association of Free Will Baptists be raised by the North Carolina churches. They are as follows:

| | |
|------------------------------|-------------|
| Foreign Missions | \$44,000.00 |
| National Home Missions | \$10,000.00 |

3. That the North Carolina churches raise for state home missions the following, \$35,000.00.

4. That the churches accept a per capita quota of one dollar to enable the board to carry on the state home missions program.

5. That the undesignated missions funds be divided equally between the Alaskan Mission and the state work in 1960.

6. That the North Carolina State Convention re-elect A. B. Bryan to the missions board.

We want to thank each of you for your prayers and support.

The treasurer will now give the auditor's report.

Respectfully submitted,

Ranton H. Jackson, *Chairman*

J. W. Alford, *Secretary-Treasurer*

The Reverend J. W. Alford, Treasurer
North Carolina Free Will Baptist Board of Missions
Morehead City, North Carolina

Dear Mr. Alford:

We have made an examination of the records of account of the North Carolina Free Will Baptist Board of Missions for the fiscal year ended August 31, 1959. Our examination was made in accordance with generally accepted

auditing standards and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. We submit herewith our report thereon consisting of the following statements and comments:

Exhibit A—Balance Sheet, August 31, 1959

Exhibit B—Statement of Cash Receipts and Disbursements for the Fiscal Year Ended August 31, 1959

Schedule A-1—Bank Reconciliation, August 31, 1959

Schedule A-2—Notes Receivable, August 31, 1959

Cash on deposit was verified with the Commercial National Bank, Morehead City, North Carolina, and Schedule A-1 presents a detailed reconciliation of cash in bank as at August 31, 1959.

The notes receivable were not verified by direct communication with the makers. Schedule A-2 presents an analysis of the notes.

In our opinion, the accompanying balance sheet presents fairly the financial position of the North Carolina Free Will Baptist Board of Missions as at August 31, 1959, and the statement of cash receipts and disbursements presents fairly its cash transactions for the fiscal year ended August 31, 1959, all in conformity with generally accepted accounting principles.

Very truly yours,

A. C. Gaskill,

REPORT OF THE NORTH CAROLINA MINISTERIAL ASSOCIATION OF FREE WILL BAPTISTS

Ministers' Conference

Cragmont Assembly

June 1-4, 1959

The Reverend C. B. Hansley, Director

The annual Ministers' Conference for 1959 was held at Cragmont Assembly, Black Mountain, North Carolina, June 1-4.

The Ministers' Conference is sponsored by the North Carolina Ministerial Association of Original Free Will Baptists, but ministers from other states are invited to attend. This year a special invitation was extended to the ministers of South Carolina, some of whom appeared on the program.

A program of interest was planned for this year. In addition to the

devotional messages and sermons, three features of special interest were planned for the morning sessions.

The Reverend J. O. Fort, editor of the Free Will Baptist Press, conducted a period of Bible study with special emphasis on the second coming of Christ.

The Reverend M. L. Johnson, business manager of Mount Olive Junior College, presented a historical survey dealing with the development of the Free Will Baptist denomination.

The Reverend W. Burkette Raper, president of Mount Olive Junior College, conducted a period of lecture and discussion on Free Will Baptist heritage with special emphasis on Free Will Baptist doctrine, polity and ministerial ethics.

Another highlight of the week was on Wednesday night when the Reverend J. C. Griffin was in charge of the Lord's Supper and the service of washing feet.

The cost for staying at Cragmont was \$3 per day, \$15 for the entire conference.

All Free Will Baptist ministers of North and South Carolina were urged to attend this conference. Churches were also urged to co-operate with their pastor in arranging services so that the pastor could be away at this time. It was also suggested that churches help their pastor to pay their expenses to attend this conference.

REPORT OF FREE WILL BAPTIST PRESS

J. O. Fort, Manager-Editor

We invite you to join us in thanksgiving to God for permitting the Free Will Baptist Press the year of greatest business in its entire history. Only the direction of His Almighty hand could have made possible the achievements which are able to report for an entire year in which competition was keen from another source.

This has been our greatest year from the standpoint of gross income. We have received a gross income this year of \$223,023.04, as compared with \$206,223.29 last year. This represents an increase of \$16,799.75.

This has been our greatest year in net profits. During this year, the institution has earned net profits in the amount of \$19,557.81, as compared with last year's profits of \$16,848.14, making an increase of \$2,709.67.

The total net holdings of the institution are worth more than at any time in our history. The net worth of the institution is now \$231,181.48, as compared with \$230,726.23 last year, representing an increase of \$455.25

New publications from the institution during the year are as follows:

Sunday School

The Little Folk's Teacher
The Little Folk's Workbook
The Junior Teacher
The Junior Workbook

League

The General Free Will Baptist League Manual

During the current fiscal year, we plan to complete the revision of the old *History of Free Will Baptists of North Carolina*, by Harrison and Barfield, and publish it. The revision is practically half completed at present.

Our plans also include that of publishing a new and simplified system of records for Sunday school. Much research and groundwork have already been done on this project to date.

A major project which we shall undertake during the year is the purchase and installation of offset printing equipment. The equipment will consist of an offset press, camera, dark room facilities and plate burning devices. This project will involve the expenditure of considerable money, but should prove to be one of the greatest steps in advancement the Press has ever taken. It will make possible our printing of certain periodicals in color. We plan to use this color equipment in printing such publications as daily vacation Bible school materials; Sunday school publications for cradle roll, nursery, beginners, primaries and juniors; league materials for children; all other publications which will make them more attractive and useful in teaching the truth of God's Word.

On January 1, 1960, the Press will begin its Sunday school operation under contract with the Sunday School Board of the National Association of Free Will Baptists. At a recent meeting of that board in Nashville, Tennessee, we were exceedingly encouraged by the general atmosphere and spirit of co-operation manifested, together with a genuine desire to promote our literature throughout the denomination. Let us pray for God's blessing and leadership in this important venture.

We sincerely thank you for your loyalty and patronage which has made possible this report. Without you and other Free Will Baptists we could not exist. We earnestly solicit your continued prayers and support. We believe that Free Will Baptists are at last coming to the place where they can have their very own complete program of Christian literature; however, there is still much to be done by way of improvement and enlargement; but under God's leadership and blessing, we shall move ever forward in the glorious task to which He has called us.

REPORT ON CHRISTIAN ACTION LEAGUE

As an elected representative of the North Carolina State Convention to the Christian Action League, we submit the following report:

The Christian Action League, formerly Allied Church League, is an interdenominational Protestant temperance organization in the state of North Carolina. It is composed of trustees elected by the several participating Protestant denominations in North Carolina. The trustees of the league meet annually to transact business, hear reports of work which has been done and lay plans for promotion of temperance within the state during the next year.

At its annual meeting, the league elects an executive committee from among the trustees. This executive committee meets quarterly to supervise promotion of the program of the league. Your reporter has been a member of the Executive Committee of the Christian Action League since this convention became affiliated, four years ago.

The league has maintained an office in Shelby, North Carolina, with a full-time director, an assistant director and an office secretary, through June 1, 1959.

At the present time, the league is in the process of reorganization with the hope of revitalizing and enlarging its activities. The employed personnel has resigned to make way for the new program of activity. A committee is appointed to recommend a new director, while another committee is drawing up recommendations for a program of activity to secure legislation to prohibit sale of alcoholic beverages and also to administer a program of alcohol education in public schools and colleges of the state. These committees will make their reports to the executive committee on October 29, 1959.

At the last meeting of the trustees of the league, April 23, 1959, the director's report included the following:

Five County-Wide ABC Elections During Year—Drys Won Four.

Three City Beer Elections—Drys Won Two.

Sale of Liquor Is Legalized in 32 of 100 North Carolina Counties.

Sale of Wine Is Legalized in 48 of 100 North Carolina Counties.

Sale of Beer is Legalized in 50 of 100 North Carolina Counties.

The treasurer's report showed the following financial support given the league by participating denominational groups:

| | |
|--|------------|
| Baptist State Convention | \$4,500.00 |
| Western N. C. Conference (Methodist) | 3,500.00 |
| N. C. Conference (Methodist) | 2,500.00 |
| N. C. Conference of Friends | 100.00 |
| N. C. Conference of Pentecostal Holiness | 100.00 |
| Moravian Church, Southern Province | 100.00 |
| Congregational Christian Churches | 50.00 |
| N. C. Synod, Presbyterian | 1,000.00 |
| First Presbytery A.R.P. | 56.81 |
| N. C. State Convention of Free Will Baptists | 200.00 |

The expanded program of the league in fighting the sale and consumption of alcoholic beverages in the state will call for greater support from the affiliated bodies. In the light of the worthiness of the cause and the existing need, we offer the following recommendations:

1. That this State Convention allocate the sum of \$200.00 to the Christian Action League.

2. That this State Convention urge each member church to send the sum of \$5.00 to the convention treasurer as soon as possible earmarked for the Christian Action League.

3. That this State Convention urge each minister to teach the evils of beverage alcohol from his pulpit.

Respectfully submitted,
J. O. Fort

Report of
CHURCH FINANCE ASSOCIATION, INC.
to the
NORTH CAROLINA STATE CONVENTION OF FREE WILL
BAPTIST CHURCHES

September 16, 17, 1959

The Church Finance Association, Inc., was founded April 20, 1940, as

an agency to help finance the building, repairing and equipping of Free Will Baptist churches and other denominational properties. The service rendered in this area can be seen from the following report of loans made during the years of our operation.

| | |
|---|--------------|
| (5) Loans to Denominational Institutions | \$ 26,700.00 |
| (14) Loans to New Churches for New Buildings | 43,830.00 |
| (15) Loans to Establish Churches for New Buildings | 69,800.00 |
| (15) Loans to Repair and Enlarge Church Buildings | 38,600.00 |
| (3) Loans for Equipment, etc. | 5,400.00 |
| (2) Loans to Pay Off Debts and to Repair, etc. | 13,402.45 |
| (10) Loans for Educational Buildings | 42,700.00 |
| (7) Loans to Buy or Build Parsonages | 31,050.00 |
| | <hr/> |
| (71) Loans for a Total Of | \$271,482.45 |

The soundness of the business operation of the association can be seen from a study of the last annual report which reveals that on January 1, 1959, the total assets of the association amounted to \$86,304.15, while the total liabilities were only \$78,864.27. The surplus of \$7,439.88 represents interest that would have been paid to sources outside the denomination had there been no Church Finance Association, Inc.

While the association has enjoyed amazing success and has been able to serve many of our churches and institutions, we have not been able to serve all who have applied. We have found it necessary to delay or reject many applications for loans because we did not have sufficient funds to make all loans applied for. We need more capital to work with.

One of our goals for 1959 is to increase our capital by at least \$2,000 through the sale of membership stock. Individuals, churches and other organizations are urged to buy at least one \$25 membership stock certificate this year.

Our annual meeting for 1960 will be held at Pleasant Grove Free Will Baptist Church in Wayne County, on Tuesday, January 12, at 10:00 a. m. This will be our twentieth annual session. A special program is being planned for this twentieth anniversary. An invitation is extended to all interested persons to attend this meeting.

REPORT OF NORTH CAROLINA F. W. B. LEAGUE STATE CONVENTION

The North Carolina Free Will Baptist League State Convention convened on May 1, 1959, at the Edgemont Free Will Baptist Church in Durham. The keynote for the convention was "To Do—Equip."

The convention was believed to be one of the most successful ever. Rev. Raymond Riggs, general director of our National Foreign Missions department, and Rev. Frank Sells, professor at Columbia Bible College, in South Carolina, were the chief speakers. Other highlights were special league workshops, a testimony time, the intermediate sword drill and special music by the Bible College Quartet and the Mount Olive College Chorus. Also, there were Friday and Saturday night addresses by Rev. Sells.

The various reports revealed that the leagues were making progress in many areas. There were a total of 101 leagues reporting; these leagues represented 38 churches, 6 conferences and 1 district convention. Enrolled in the leagues were 1,733 members; average attendance was 1,297.

Certificates were awarded to the Senior, Adult and Intermediate Leagues of the Sound Side Church; the Junior League of Sarecta Church; and the Story Hour League of Davis Church. Miss Hope Morris won the intermediate sword drill contest, and Miss Vicki Proctor placed second.

Overall, the convention was a great success as over 500 leaguers attended

the annual meet. We can truly thank the Lord for such a wonderful and inspiring meeting.

REPORT OF THE NORTH CAROLINA FREE WILL BAPTIST SUNDAY SCHOOL CONVENTION-INSTITUTE

“Using the Divine Method in Proclaiming the Divine Message” was the theme of the 20th annual session of the North Carolina Free Will Baptist Sunday School Convention-Institute convening at our Children’s Home on April 23, 1959. The convention was blessed in many ways. Brother David Allen of Detroit, Michigan, thrilled our hearts with the key note message based on Acts 5:42, “And daily in the temple, and in every house they ceased not to teach and preach Jesus Christ.”

The use of simultaneous workshops on various subjects was a new feature of this convention and received favorable response from the 258 who registered for the convention. We were exceptionally happy to note that 61 ministers registered for the convention.

Since our last State Convention it was my happy privilege to attend the National Sunday School Convention of the National Association of Evangelicals in Des Moines, Iowa, representing our Sunday School Convention. It will be my happy opportunity to represent us this November in Columbus, Ohio.

Here is a summary of our present program:

1. General Field Work: Since our convention (about 6 months) our field secretary has conducted 5 workshops and 1 area conference with a combined attendance of approximately 175. Many letters and mimeographed material have been prepared and distributed.

2. Cragmont Youth Conference: Our convention assisted in three youth conferences at Cragmont with a combined attendance of 142. This program with our youth is the most challenging and rewarding work of our entire program. Scores of our youth made decisions during the conferences this year.

3. Sunday School Reporter: Our monthly newsletter has been sent to pastors, superintendents and teachers for the past seven years. If you are not on the mailing list, contact our field secretary.

4. Fellowship Suppers: We encourage your attendance and support of the county fellowship supper in your area. The officers of the convention assist the fellowship suppers whenever possible.

5. Future Plans: At a recent meeting of our executive committee, the director of field work presented some new plans regarding our field work program. These plans were approved and will be put into immediate effect. As conferences, workshops and clinics are held in your area you will notice these changes in methods.

There are several things you can do to help your Sunday School Convention:

1. Pray daily for our field secretary and the officers of our convention. We feel that the Sunday school is the life-line to our churches and thus we are engaged in important work. Your church will only be as strong as your Sunday school.

2. Plan to attend the next session of our Sunday School Convention on April 21, 1960. The location of the site will be announced soon.

3. Send us 10% of your Sunday school offerings with a report to our treasurer, Mr. W. Milton Wiggs, Smithfield, North Carolina. We thank everyone who has supported our work. It is not fair to have only a fraction of our Sunday schools supporting our program when all receive blessings and benefits.

4. Call upon us if we can help your Sunday school in any way. We stand ready to serve you.

May God bless you.

Respectfully submitted,
Herman L. Hersey, *President*

HISTORICAL COMMISSION

Your historical commission submits the following report:

The work of accumulating and filing historical materials regarding our

denomination within the state is continuing. The preparation of a history of North Carolina Free Will Baptist as authorized by this body is almost complete. We hope to turn the manuscript over to the executive committee for publication by January 1, 1960.

The book when completed will be about 100 pages in length and will be completely documented. It contains chapters on Our Beginnings, the General Conference, the State Convention, The Children's Home, The Free Will Baptist Press, Education in North Carolina, Cragmont Assembly, the Church Finance Association, and a closing chapter entitled "Whither Bound."

The cost of publishing 1,000 hardback copies of the book will be approximately \$1,000. We recommend that the selling price be \$1.50 which will give the State Convention a profit of \$500 on 1,000 books. We believe that this 1,000 books can be sold within one year from publication date.

Your Commission,
Hubert Burress

THE REPORT OF THE SUPERINTENDENT OF THE FREE WILL BAPTIST CHILDREN'S HOME TO THE BOARD OF DIRECTOR'S GREETINGS

God has blessed the Free Will Baptist people this year, granting them the happy privilege to use a part of that with which He has blessed them in the support of the children of the Children's Home. The generous gifts from churches, individuals and other sources have made it possible to operate debt free. For these blessings from God and your generosity, we are grateful.

COUNSELING

The children have been counseled from time to time with the purpose in mind of helping them meet and solve the many problems of life.

CHURCH PROGRAM

The Rev. J. O. Fort has been our pastor this year, and he has been a great help and inspiration to us. To Rev. Fort we are very thankful. We have Sunday school and league services each Sunday, preaching each first and third Sunday and vesper services on Wednesday evening of each week.

FARM SUPERINTENDENT

The farm was operated again this year by Children's Home personnel and children, with Mr. H. E. Mixon again serving as farm superintendent. Along with Mr. Mixon, Mr. Herman Stocks and the children have done splendid work with the farm.

ALUMNI REPORT

The Alumni Association has been active this year. Mr. Walter Croom

is president and Charles Harrell, secretary. This year the Alumni Association has paid \$145.00 on the furniture in the board of directors room and reception room of the office building.

IMPROVEMENTS

On our campus we have one major improvement this year. The upright water tank that we needed so desperately has been erected.

HEALTH PROGRAM

The health of the children has been good again this year. Dr. Zyba K. Massey of Zebulon has co-operated wonderfully in meeting the dental needs of each child. Dr. Josephine Newell has also taken care of the medical needs of the children.

SUPPORT AND FUTURE IMPROVEMENTS

We want to thank you for your support this past year and urge you to continue your support in the future so that we can take care of the children and make necessary improvements. We pray that God in His love and mercy will guide and bless our efforts as we enter this fiscal year.

Respectfully submitted,
 J. W. Everton,
Superintendent and Treasurer

REPORT OF THE TEMPERANCE COMMITTEE

It is the judgment of this committee that our people in North Carolina need a different and far more reaching report than we can produce in so short a time. We believe that a new approach to this old, old, problem should be made; consequently, we recommend the following:

1. That the president of the convention appoint a committee of three members as a committee on temperance and civic righteousness whose duty it shall be to make a comprehensive study and survey of the present situation of intemperance and civic unrighteousness in North Carolina.

2. That a comprehensive report of their findings be given at the next session of the State Convention, together with a formula for combating these evils.

3. That the expenses of the committee be paid by the convention.
