

# Free Will Baptist Bible College

## More Than Ever Before

### More Influence:

Since 1942, FWBBC has been producing pastors and missionaries, as well as lay people working in secular fields, sharing the love of Christ around the world. Each year this number gets larger and more influential than ever before.

## More Opportunity:

By offering more programs and more financial aid, FWBCC is open to more people. From student participation in weekly Christian Service, to overseas internships, to our new Online Learning program, FWBCC provides more opportunities than ever before.

## More Excitement:

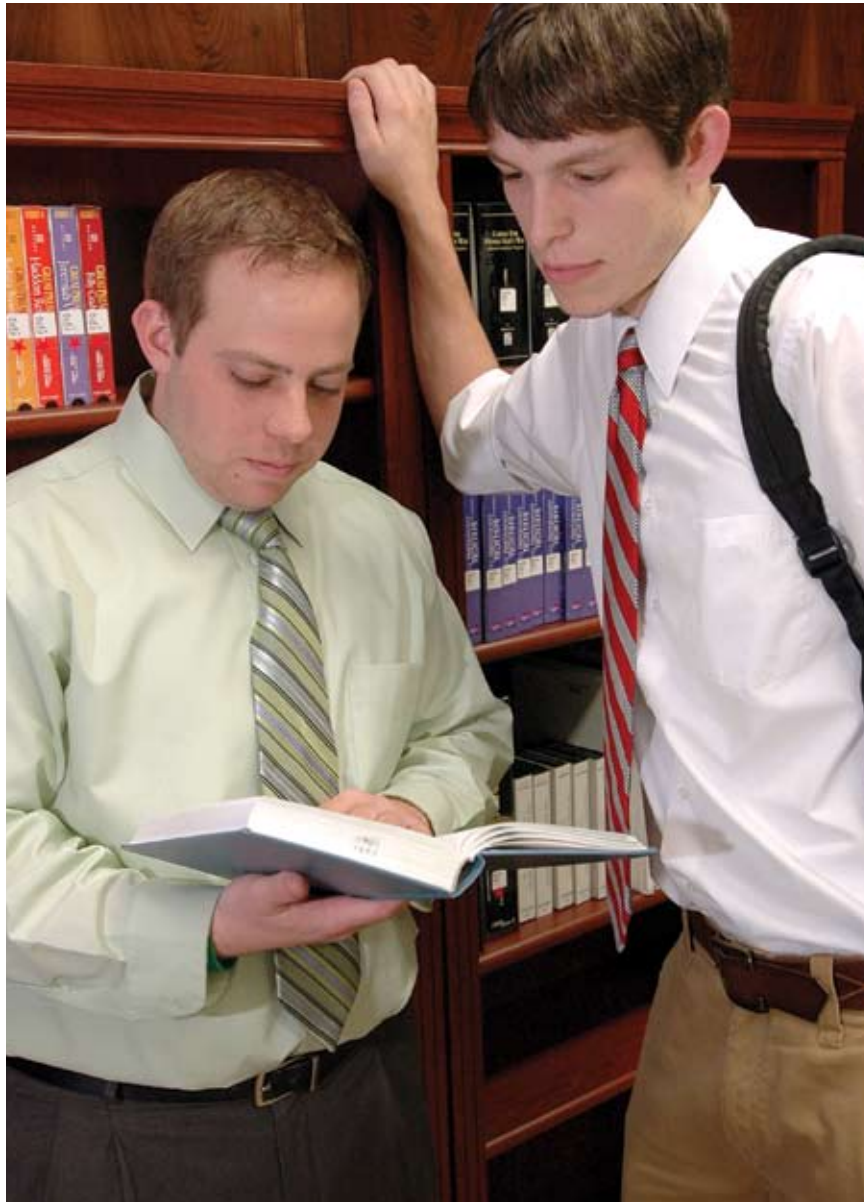

With enrollment up more than 35% in the last five years and an increased level of giving from our supporters, our conservative, yet forward-thinking administration is creating an exciting environment at FWBBC, more exciting than ever before.

## More Urgency:

With all of the exciting opportunities for influence at FWBCC, we need your support more than ever before. Please join us in this exciting time by supporting the Kettman Student Scholarship Drive. Named in honor of Paul Kettman, the first student enrolled at FWBCC and long-time promotional director at the college, the money raised during this drive is used to fund the institutional scholarships that help so many of our students not only get the skills needed to make a living, but also to make a life through FWBCC.
